

## Alumni Scholarship Information

Each year the Valley Alumni Association awards scholarships to deserving members of the current VHS graduating class. This program has assisted many Valley graduates in their pursuit of a post-secondary education. Due to the generosity of our alumni, the Alumni Scholarship program has expanded and in 2008 was able to award three scholarships in the amount of \$2000 each. The number awarded is based upon donations and interest earned on investments.

The Alumni Association Scholarship Fund accepts donations to finance these scholarship awards. These donations are tax deductible. The Association accepts donations in the form of cash, stocks, bonds or other financial assets. Donations may be made at any time and a collection is made each year at the annual Alumni Banquet.

If you would like further information or would like to make a donation, contact David Adkins, 1988 Cook Road Lucasville, Ohio 45648. Phone 740 259-2852 or email [david.adkins@valleyls.org](mailto:david.adkins@valleyls.org)
